

Route driver/Company representative for school fundraising vending machines

Responsibilities include driving to designated elementary schools in Miami, Broward and/or Palm Beach counties, collecting coins from a vending machine as well as filling and/or changing inventory as required.

This is part-time work that allows a lot of independence and flexibility. Each machine should be serviced once every four to six weeks and machine service time is on school days during school hours.

Requirements:

- Trustworthiness
- Ability to travel (must have a car) and able to carry items in car
- Physical lifting of approximately 20 pounds (from car to dolly)
- Ability to build relationships with school staff
- Reliability
- Ability to trouble-shoot mechanical issues
- Detail oriented
- Use of good judgment

Compensation will be based on a percentage of revenues with a minimum dollar amount per school.
