

OCTOBER

at ChristJourney

Five Hundred years ago on October 31, 1517 Martin Luther posted his 95 theses on the door of the Castle Church in Wittenburg, Germany. With that action, what is known as the *Protestant Reformation* began. All through its life, from generation to generation, the church of Jesus Christ has been forming and reforming in pursuit of its mission.

Jesus taught that new wine must have new skins. That is, change is good and change is necessary. Sysco's John Baugh once said, "There are two choices in business: change or die."

With that in mind two opportunities are before us this month regarding change and the health of our church.

Special Called Business Meeting – 6:30pm on Thursday, October 5 in the Gables Campus Theater. Updates and a recommendation are coming to the church regarding our Sunset Drive property and a new exciting step for our next multi-site campus.

Reveal Survey – This October Christ Journeers are invited to share their perspectives on our church, its health and ministry. Please let us hear from you.

Pastor,

Bill
