What You Say:

"God made SO many incredible things, but of all the things He made, people are most like Him. And I'm not talking about these crazy-looking Sour Patch kids; I'm talking about each one of you! You are made in God's image. You can think and feel and love and care for others. And just look at the creativity God showed when He made each one of you. Not only is your hair color or eye color different, but your personalities are also different, as are your likes and dislikes. I can see God in all the amazing things He's made, and YOU are His most prized creation of all. You can believe in a God you can't see when you **[Bottom Line] FOCUS on what you can see.**"
